

The Friends of Kingston's House

The Friends of Kingston's House is a small group of concerned citizens dedicated to the preservation and maintenance of Kingston's Historic House at Cameron Avenue, Kingston Park.

This group meets nominally on a bi-monthly basis at Kingston's House to celebrate the significant contributions made to South Australia by the Kingston family and to enjoy the ambiance of this historical old house.

The group usually enjoys a chicken and salad lunch at midday during the cooler months or supper at 6.00pm during daylight saving.

This is an excellent opportunity to meet new friends, take an active role in preserving this South Australian icon and to enjoy some entertaining guest speakers.

The following dates are scheduled for 2007:-

**Sunday 18th March 2007 at 6.00pm,
Sunday 20th May 2007 at 12.00 noon,
Sunday 15th July at 12.00 noon,
Sunday 9th September 2007 at 12.00 noon,
Sunday 18th November 2007 at 6.00pm.**
